

## SHOWROOM SHORTLIST

### Auto-Sleeper Burford Duo

The first Auto-Sleeper motorhomes on a Mercedes base were originally commissioned by multi-branch retailer Marquis, which had spotted a gap in our longest established motorcaravan manufacturer's offer. Marquis is very adept at identifying what purchasers actually want to buy, and not just relying on what manufacturers think they want to buy. The Marquis Mercs flew out the showrooms, thus the decision was made to offer them to all Auto-Sleeper retailers. Thank goodness for that, and it is a shame that other UK manufacturers haven't followed suit. Burford Duo is a dedicated two-berth with twin easy-access permanent beds (the name's a clue!) just ahead of a palatial full-width rear washroom/ changing area, complete with walk-in shower cubicle, vanity basin and loo. Duo's kitchen is on the offside opposite the entrance door. Forward lounge comprises of two

double-seat inward-facing settees, plus the cab pews. The quoted price above is rather optimistic, as previously Auto-Sleeper Mercs arrived with some items as standard that are now part of the extra-cost Premium Pack. We wouldn't advise purchasing a Burford without that £4,000 pack, which includes nine-speed automatic transmission, alloy wheels, cab air-con, Thule wind-out awning, Rear vision camera, 80W solar panel and MUBX infotainment system.

#### Go for it

- British and well built
- Classy traditional interior with level floor

- Knee rolls on seat squabs
- Permanent single-beds
- Auto-Sleeper direct-to-customer spares service

#### Bear in mind

Only one armrest on cab seats... why?

#### Spec check
