Created for Adventure

Mileo

Life is full of adventure; whether you are someone who travels the world seeking the thrill of unique experiences or someone who relishes in the marvels of local captivations, adventure can be found around every corner.

Our Mileo Range of motorhomes are created for adventure and travel and have been expertly designed to offer a selection of low-profile models with space-saving multi positional electric drop down beds on selected layouts.

With four models to choose from, there really is an option to suit all your lifestyle requirements.

It's amazing where you can get to with the help of a motorhome. Wherever you choose to explore, your Mileo is equipped with everything you need to make your way to your destination with ease.

Mileo Key Features & Benefits

CHOOSE FROM A 3650KG FIAT 140BHP MANUAL OR 4400KG 180BHP AUTOMATIC CHASSIS

Ensuring a comfortable driving experience with an electronic parking brake.

GPS TRACKSTAR TRACKER WITH FREE ONE YEAR SUBSCRIPTION

Your new Mileo motorhome is protected 24/7 with the Trafficmaster Trackstar S7 Tracker with a free 1 year subscription included.

TOUCH SCREEN DAB RADIO, SAT NAV & INTEGRATED REAR VIEW OBSERVATION CAMERA

Make your way to your holiday destination with ease & with the latest audio technology.

EXTERIOR BBQ & SHOWER POINTS

From washing off a muddy dog to grilling an el fresco dinner, this couldn't be easier thanks to the functionality of the external BBQ & shower points.

NCC APPROVED WITH FULL UK SPECIFICATION.

Your Mileomotorhome has been rigorously tested to meet all NCC approval standards to be certified safe for you & your family as well as being legal for use on UK roads.

SPACE-SAVING ELECTRIC DROP DOWN DOUBLE BED OPTIONS

Benimar have expertly designed the Mileo range to include a number of versatile & space saving bed options. Both comfortable & spacious, there are many bed configurations across 4 layouts to choose from.

CAB AIR-CONDITIONING, CRUISE CONTROL WITH ABS, ESP, TRACTION CONTROL & HILL ASSIST

Drive with ultimate comfort thanks to the inclusion of the latest driver assistance technology on either a manual or automatic.

SECURE HABITATION DOOR WITH REMOTE CENTRAL LOCKING

For additional security all Mileo motorhomes feature habitation doors with remote central locking systems with window and flyscreens.

ELECTRIC & HEATED WING MIRRORS

Mileo door mirrors are electrically heated, eliminating ice & condensation build-up quickly, to help you see more clearly in any weather.

SOLAR PANEL

The Solar Panel can ensure your batter life lasts longer. Being self-sufficient helps you enjoy the freedom a motorhome brings.

GRADE III FULLY INSULATED NCC EN1645-1

Enjoy the perfect climate 365 days a year. All Mileo motorhomes have achieved Grade III classification for heating & thermal protection.

GRP & 99% WOOD FREE CONSTRUCTION

Benimar motorhomes offer the almost complete elimination of wood in the bodywork structure. The use of damp-proof materials, which are effective at insulating, guarantee the vehicle lasts longer.

Data & accuracy: The contents of this publication are as accurate as possible at the time of going to press, but this information should not be regarded as an infallible guide to current specifications, nor does it constitute an offer for the sale of any particular vehicle. Details of performance, dimensions and weights are subject to minor deviations within manufacturer tolerance limits (max +/- 5%). The Mass In Running Order (MIRO) - Weight of the Motorhome equipped to the manufacturer's standard specification including essential habitational equipment. The MIRO is the mass of the unladen vehicle, including an allowance for the driver (assumed 75 kg) and a 90% full fuel tank. The MIRO is calculated with the fresh water tank empty. If you travel with water in the freshwater tank then the User Payload will reduce accordingly. Maximum User Payload includes Personal Effects Payload, conventional load and the Optional Equipment Payload. Please ensure that you've allowed for the masses of all items you intend to carry in the Motorhome. All data is calculated using metric weights and measurements. The imperial figures quoted are conversions thereof and have been rounded to the nearest inch. All dimensions have a tolerance of +/- 25mm. Your Motorhome weights have been calculated with all water tanks empty and we recommend you travel with all water tanks empty. Heights are measured on an unladen vehicle excluding any roof areal. The maximum weight capacity for an electric drop down bed is 250kg, fixed rear beds have a limit of 250kg, overcab beds are 250kg and bunkbeds 100kg. # Garage dimensions quoted are "aperture" height and width and interior garage dimensions may vary.
