Data & accuracy: The contents of this publication are as accurate as possible at the time of going to press, but this information should not be regarded as an infallible guide to current specifications, nor does it constitute an offer for the sale of any particular vehicle. Details of performance, dimensions and weights are subject to minor deviations within manufacturer tolerance limits (max +/- 5%). The Mass In Running Order (MIRO) - Weight of the Motorhome equipped to the manufacturer's standard specification including essential habitational equipment. The MIRO the mass of the unladen vehicle, including an allowance for the driver (assumed 75 kg) and a 90% full fuel tank. The MIRO is calculated with the fresh water tank empty. If you travel with water in the freshwater tank then the User Payload will reduce accordingly. Maximum User Payload includes Personal Effects Payload, conventional load and the Optional Equipment Payload. Please ensure that you've allowed for the masses of all items you intend to carry in the Motorhome. All data is calculated using metric weights and measurements. The imperial figures quoted are conversions thereof and have been rounded to the nearest inch. All dimensions have a tolerance of +/- 25mm. Your Motorhome weights have been calculated with all water tanks empty and we recommend you travel with all water tanks empty. Heights are measured on an unladen vehicle excluding any roof aerial. The maximum weight capacity for an electric drop down bed is 250kg, fixed rear beds have a limit of 250kg, overcab beds are 250kg and bunkbeds 100kg. # Garage dimensions quoted are "aperture" height and width and interior garage dimensions may vary.

08. MILEO CONSTRUCTION

The ISB (Isolation System Benimar) is a key feature in Benimar motorhomes, designed to provide superior insulation, comfort, and durability. This system helps maintain an optimal internal climate by reducing heat loss in colder months and keeping the interior cool during warmer weather. The materials and construction methods used in the ISB system also enhance the longevity of the motorhome, ensuring it stands up to the rigors of travel while providing a cozy living environment. Overall, it's a vital aspect of what makes Benimar motorhomes appealing to travelers seeking both comfort and reliability.

GRP and 99% Wood-Free Construction

The almost complete elimination of wood in the bodywork structure and using insulating and damp-proof materials not only enhances durability but also improves energy efficiency and comfort. This approach can significantly extend the lifespan of your motorhome, making it a wise investment for long-term adventures.

Insulation and Fuel Efficiency

The floor, roof and walls of your motorhome are constructed using XPS materials which have been proven to be extremely effective at insulating. Plus, its lightweight nature helps maintain the overall weight of the motorhome, which is essential for fuel efficiency and handling.

Grade III Fully Insulated NCC EN1645-1

Grade III classification for heating and thermal protection means Benimar motorhomes are built to withstand various weather conditions, ensuring comfort all year round. Whether you're exploring the great outdoors or parked in a cozy spot, you can enjoy a pleasant climate inside 365 days a year.

FIAT

Fiat Ducato Euro 6E Engine

Easy to drive, safe and ready to assist you in every challenge, always adapting to your needs. Fiat Ducato engines are effective in terms of fuel consumption and emissions, plus they are dynamic and environmentally friendly ensuring a comfortable driving experience with the latest driving features.

WARRANTY

When you choose a Benimar motorhome you have the reassurance of knowing your vehicle has been designed and constructed to give you years of enjoyable, worry free touring.

5 YEARS WATER INGRESS GUARANTEE

Benimar are confident in their construction process and every motorhome comes with a 5-year water ingress guarantee. This guarantee covers the damages that are due to an abnormal modification of the original bodyshell waterproofing.

2 YEARS HABITATION GUARANTEE

The guarantee covers the labour and parts supplied to replace or repair those found to be faulty completely free of charge for a period of 24 months from the date of registration of the vehicle.

2 YEARS FIAT CHASSIS WARRANTY

All Benimar motorhomes registered in the UK benefit from a Fiat 2 Year Unlimited Warranty. The Fiat Professional Authorised Network guarantees the vehicle base against manufacturing defects for a period of 24 months from the initial registration date without mileage limits. With 1 Year Fiat Assist Breakdown Recovery from the date of registration

ABOUT BENIMAR

DEALER NETWORK

benimar

Benimar has been producing motorhomes for more than 50 years. Their reputation for quality and innovation has allowed them to expand significantly, reaching a global network of over 100 dealers from Europe to New Zealand. This growth reflects their commitment to providing versatile and reliable motorhomes that cater to a variety of leisure needs. Whether for family adventures or solo journeys, Benimar offers something for everyone.

Benimar motorhomes, part of the Trigano Group, are crafted in Peñíscola under the Mediterranean sun. The production facility spans 40,000 m² and utilizes high-tech machinery and innovative technologies to ensure quality and performance. This combination of advanced manufacturing and a beautiful setting reflects their commitment to creating reliable and comfortable motorhomes.

Marquis collaborates closely with Benimar to create an exclusive range of well-equipped motorhomes, all featuring NCC Approval and adhering to full UK specifications. This partnership ensures high-quality vehicles designed for comfort and performance on the road.

Benimar's commitment to reliability, quality, and strength is underscored by its ISO 9001 and ISO 14001 certifications. These certifications reflect a dedication to consistently meeting customer expectations while adhering to high standards in product quality and environmental management. This assurance enhances trust in their products and showcases their focus on continuous improvement and sustainability.
