03. TESSORO FEATURES

FORD EURO 6E CHASSIS WITH 165BHP ENGINE WITH ADBLUE TECHNOLOGY

Ensuring a comfortable driving experience with the latest driving features and Automatic gearbox available as a cost option.

ALL TESSORO MOTORHOMES COME WITH A MTPLM WEIGHT OF 3500KG

All Tessoro motorhomes can be driven by anyone holding a full UK driving licence with ease and regardless of age.

FORD TOUCH SCREEN 12" DAB RADIO WITH SAT NAV AND INTEGRATED REAR CAMERA

Effortless smartphone integration for two mobile phones simultaneously, including Apple Carplay & Android Auto, conversational voice recognition, cloud-based connectivity, & more. New Ford SYNC@4+++ brings you a more seamless, more connected, more personalised driving experience.

EXTERIOR BBQ AND SHOWER POINTS

From washing off a muddy dog to grilling an el fresco dinner, this couldn't be easier thanks to the functionality of the external BBQ and shower points.

NCC APPROVED WITH FULL UK SPECIFICATION

Your Tessoro motorhome has been rigorously tested to meet all NCC approval standards to be certified safe for you and your family as well as being legal for use on UK roads.

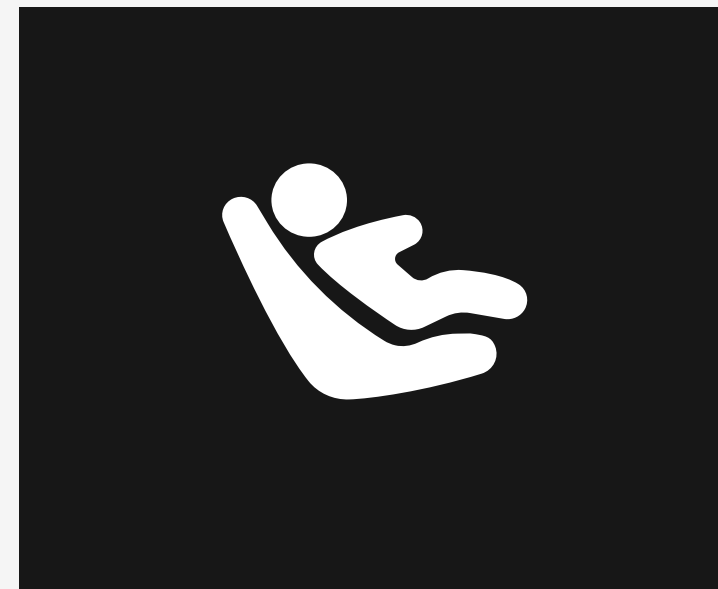

MULTI POSITIONAL DROP DOWN BED OPTIONS ON SELECTED MODELS

Benimar have expertly designed the Tessoro range to include a number of versatile and space saving bed options. Both comfortable and spacious, there are many bed configurations to choose from.

CAB AIR-CONDITIONING, ADAPTIVE CRUISE CONTROL WITH ABS, ESP TRACTION CONTROL AND HILL ASSIST

Drive with the ultimate comfort thanks to the inclusion of the latest driver assistance technology including Pre-Collision Assist, Lane-Keeping Alert and Speed Sign recognition.

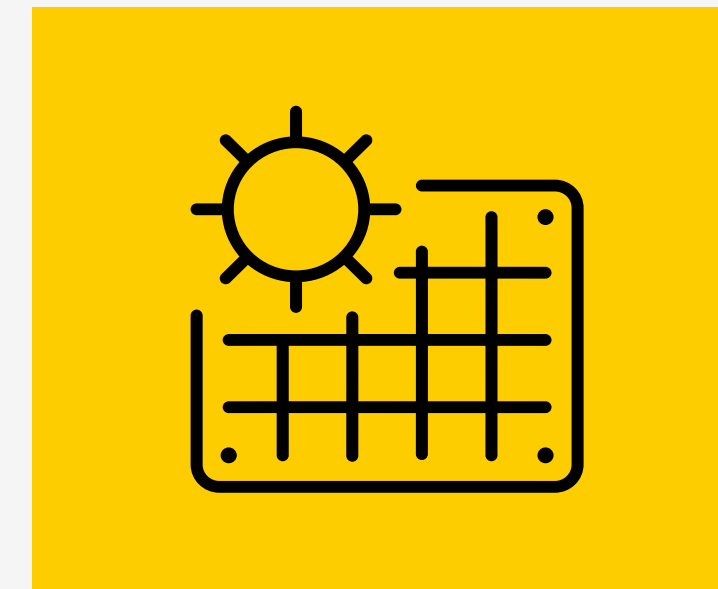

REAR ISOFIX TRAVEL SEATS

Rear travel seats come with Isofix fittings for peace of mind travel for children.

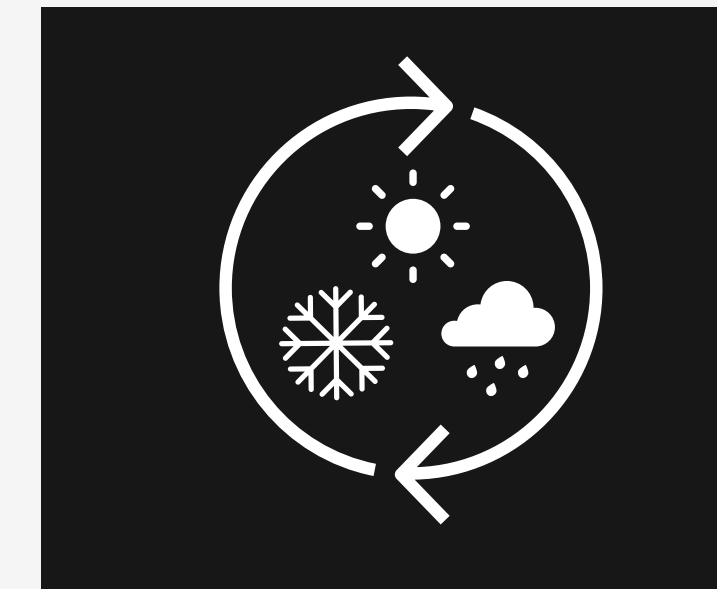

AUTOMATIC HEADLIGHTS AND WINDSCREEN WIPERS

Provide a convenient, automatic way to light the road and keep the windscreen clear in poor conditions.

200W SOLAR PANEL

The Solar Panel can ensure your battery life lasts longer. Being self-sufficient helps you enjoy the freedom a motorhome brings.

GRADE III FULLY INSULATED NCC EN1645-1

Enjoy the perfect climate 365 days a year. All Tessoro motorhomes have achieved Grade III classification for heating and thermal protection.

FORDPASS CONNECT

The FordPass free of charge app allows you to stay connected with your Tessoro's Ford Cab wherever you are. Unlock your motorhomes smart side.

ABOUT BENIMAR

DEALER NETWORK

04. TESSORO FEATURES

CHASSIS

- Ford Euro 6E Chassis with 165bhp engine with AdBlue technology
- Automatic gearbox as cost option
- 3 year chassis warranty
- 70 litre fuel tank
- Stylish silver grey chassis cab with colour coded bumper
- Daytime running lights

DRIVER COMFORT

- Automatic Cab air conditioning
- Adjustable steering wheel with media controls
- Fully upholstered & heated swivel captain chairs with two arm rests & height adjustment
- Door pockets & bottle holders
- Storage above cab
- 12v lighter sockets & USB port
- Cab reading lights
- Gear stick & steering wheel in leather effect finish with chrome inserts
- Rear corner steadies
- Concertina blinds on doors & windscreen
- Removable carpets including entrance mat
- High resilience seat foam & backrests (130mm/5")
- 1 double USB sockets located behind driver's seat

DRIVER SAFETY

- NCC approval & full UK specification
- Driver & passenger air bags
- Adaptive Cruise control
- ABS, ESP, Traction control, hill assist & curve assist
- Lane-Keeping Alert
- Pre-Collision Assist
- Speed Sign Recognition
- Rear axle width of 1980mm for improved stability (exc 840 & 861)
- Remote central locking of cab doors & immobiliser
- Isofix rear travel seats
- Full LED headlights
- Alloy wheels plus full spare on all models
- Electric cab windows
- Heated & electric wing mirrors
- Automatic headlights & windscreen wipers
- Fast defrost windscreen system

AUDIO SYSTEM

- Media function controls on steering wheel
- Rear speakers
- Ford Touch Screen 12" DAB Radio with Sat Nav and integrated rear view camera plus effortless smartphone integration for two mobile phones simultaneously, including Apple Carplay and Android Auto, conversational voice recognition, cloud-based connectivity, and much more. New Ford SYNC@ 4+++ brings you a more seamless, more connected, more personalised driving experience.

BODY CONSTRUCTION

- Awning light
- Electrical twin locking habitation door on the UK side with window & flyscreen
- External shower point
- External BBQ point
- GRP & 99% wood free construction
- 25mm XPS insulation on sidewalls
- 53mm XPS insulation on floor & roof
- High impact, scratch resistant flooring
- Three point seat belts to all designated passenger seats
- High & low fixing points for optional rear mounted cycle rack
- Spacious rear garage with ample storage for leisure equipment with lighting (selected models)
- High level brake light
- Colour coded side skirts
- High quality double glazed opening windows with night-latch ventilation
- Gas bottle compartment
- Gas regulator suitable for butane or propane

LIVING AREA

- Truma iNet X control panel
- Entrance light
- Dometic Deluxe windows
- Malaga, Raw and White style combination furniture
- Rooflights
- Space-saving electric dropdown beds with removable aluminium ladder (exc 840 & 861)
- Secure positive catches on all furniture doors with soft closing hinges
- Skyview rooflight
- Flyscreens & blinds on all windows
- Multi directional sliding table (selected models)
- TV bracket
- Furniture design with LED lights under drop down beds

WASHROOM

- Thetford cassette toilet with electric flush & 18 litre wheeled holding tank
- Chrome finish brass mixer taps & shower head
- Rooflight with flyscreen
- Towel holder
- Washbasin with single door cupboard below
- Fully separate shower (exc 840 & 861)
- Illuminated mirror (selected models)

KITCHEN

- Extractor hood
- Metal drawer runners with soft closing system
- Dual fuel gas & electric hob with glass lid with oven & grill
- Stainless steel sink with glass lid
- Microwave oven (exc 840 & 861)
- 145 litre fridge/freezer with automatic energy selection (exc 840 & 861)
- 70 litre compressor fridge (840 & 861)
- Granite effect kitchen work top
- Work top extension
- Illuminated spice rack

ELECTRICS, GAS & PLUMBING

- TV aerial
- TV aerial socket
- 3 x 220v sockets
- 3 x 12v sockets
- Mains consumer unit with mains isolator
- 12v fuse board with battery recharger with MPPT Solar Regulator
- Large & easy to read 12v control panel near to the entrance door
- Low energy consumption LED lighting
- 100 litre fresh water tank isolated & heated with level sensor
- 105 litre waste water tank isolated & heated with level sensor
- Truma combi 6kw heating & water system which operates on gas or electric
- Pressurized fresh water system with self-filling pump
- Isolation taps for gas appliances
- 200W Solar panel
- Fan rooflight
- Leisure battery
- CO2 alarm
- Smoke alarm
- USB A and C Sockets
- Grade III Winter pack incl:
 - Insulated & heated waste tanks

Data & accuracy: The contents of this publication are as accurate as possible at the time of going to press, but this information should not be regarded as an infallible guide to current specifications, nor does it constitute an offer for the sale of any particular vehicle. Details of performance, dimensions and weights are subject to minor deviations within manufacturer tolerance limits (max +/- 5%). The Mass In Running Order (MIRO) - Weight of the Motorhome equipped to the manufacturer's standard specification including essential habitational equipment. The MIRO is the mass of the unladen vehicle, including an allowance for the driver (assumed 75 kg) and a 90% full fuel tank. The MIRO is calculated with the fresh water tank empty. If you travel with water in the freshwater tank then the User Payload will reduce accordingly. Maximum User Payload includes Personal Effects Payload, conventional load and the Optional Equipment Payload. Please ensure that you've allowed for the masses of all items you intend to carry in the Motorhome. All data is calculated using metric weights and measurements. The imperial figures quoted are conversions thereof and have been rounded to the nearest inch. All dimensions have a tolerance of +/- 25mm. Your Motorhome weights have been calculated with all water tanks empty and we recommend you travel with all water tanks empty. Heights are measured on an unladen vehicle excluding any roof aerial. The maximum weight capacity for an electric drop down bed is 250kg, fixed rear beds have a limit of 250kg, overcab beds are 250kg and bunkbeds 100kg. The optional Automatic gearbox on the Ford Chassis will increase the MIRO by 50kg and therefore reduce the user payload by the same amount. # Garage dimensions quoted are "aperture" height and width and interior garage dimensions may vary.

ABOUT BENIMAR

DEALER NETWORK

08. TESSORO CONSTRUCTION

The ISB (Isolation System Benimar) is a key feature in Benimar motorhomes, designed to provide superior insulation, comfort, and durability. This system helps maintain an optimal internal climate by reducing heat loss in colder months and keeping the interior cool during warmer weather. The materials and construction methods used in the ISB system also enhance the longevity of the motorhome, ensuring it stands up to the rigors of travel while providing a cozy living environment. Overall, it's a vital aspect of what makes Benimar motorhomes appealing to travelers seeking both comfort and reliability.

GRP and 99% Wood-Free Construction

The almost complete elimination of wood in the bodywork structure and using insulating and damp-proof materials not only enhances durability but also improves energy efficiency and comfort. This approach can significantly extend the lifespan of your motorhome, making it a wise investment for long-term adventures.

Insulation and Fuel Efficiency

The floor, roof and walls of your motorhome are constructed using XPS materials which have been proven to be extremely effective at insulating. Plus, its lightweight nature helps maintain the overall weight of the motorhome, which is essential for fuel efficiency and handling.

Grade III Fully Insulated NCC EN1645-1

Grade III classification for heating and thermal protection means Benimar motorhomes are built to withstand various weather conditions, ensuring comfort all year round. Whether you're exploring the great outdoors or parked in a cozy spot, you can enjoy a pleasant climate inside 365 days a year.

Ford Transit Euro 6E Engine

Easy to drive, safe and ready to assist you in every challenge, always adapting to your needs. Ford engines are effective in terms of fuel consumption and emissions, plus they are dynamic and environmentally friendly ensuring a comfortable driving experience with the latest driving features.

WARRANTY

When you choose a Benimar motorhome you have the reassurance of knowing your vehicle has been designed and constructed to give you years of enjoyable, worry free touring.

5 YEARS WATER INGRESS GUARANTEE

Benimar are confident in their construction process and every motorhome comes with a 5-year water ingress guarantee. This guarantee covers the damages that are due to an abnormal modification of the original bodyshell waterproofing.

2 YEARS HABITATION GUARANTEE

The guarantee covers the labour and parts supplied to replace or repair those found to be faulty completely free of charge for a period of 24 months from the date of registration of the vehicle.

3 YEARS FORD CHASSIS WARRANTY

All Benimar Tessoro motorhomes registered in the UK benefit from a 3 Year Ford Chassis Warranty. Peace of mind as standard with every Ford. Every new Ford passenger car and commercial vehicle comes with 12 months free Ford Assistance, a roadside rescue, repair, and recovery service that helps you at home or anywhere in Europe, seven days a week, 365 days a year.

ABOUT
BENIMAR

DEALER
NETWORK

benimar

Benimar has been producing motorhomes for more than 50 years. Their reputation for quality and innovation has allowed them to expand significantly, reaching a global network of over 100 dealers from Europe to New Zealand. This growth reflects their commitment to providing versatile and reliable motorhomes that cater to a variety of leisure needs. Whether for family adventures or solo journeys, Benimar offers something for everyone.

Benimar motorhomes, part of the Trigano Group, are crafted in Peñíscola under the Mediterranean sun. The production facility spans 40,000 m² and utilizes high-tech machinery and innovative technologies to ensure quality and performance. This combination of advanced manufacturing and a beautiful setting reflects their commitment to creating reliable and comfortable motorhomes.

Marquis collaborates closely with Benimar to create an exclusive range of well-equipped motorhomes, all featuring NCC Approval and adhering to full UK specifications. This partnership ensures high-quality vehicles designed for comfort and performance on the road.

Benimar's commitment to reliability, quality, and strength is underscored by its ISO 9001 and ISO 14001 certifications. These certifications reflect a dedication to consistently meeting customer expectations while adhering to high standards in product quality and environmental management. This assurance enhances trust in their products and showcases their focus on continuous improvement and sustainability.
